003 Email: Category:Windows disk repair softwarePuerto Rican literature The origin of Puerto Rican literature is difficult to determine, as much of the surviving early printed material is in Spanish. As such, the first extant literary references to Puerto Rico are in 16th-century Spanish texts describing battles and raids between the island and forces from the Spanish mainland. Puerto Rican literature as a distinct literary movement began in the early 19th century, when the independence movement arose. Although many works were published in both English and Spanish, the majority of early literary works were written in Spanish. They mostly dealt with the problems faced by Puerto Ricans during their struggle for independence. Literary movements The first literary works that are considered part of Puerto Rican literature are from the first half of the 19th century. Some of the first Puerto Ricans to produce writing for an audience in the mainland United States were the graduates of the first public school in Puerto Rico, the Colegio Militar, when the school moved to the U.S. mainland. Puerto Rican literature as a literary movement began in the early 19th century, with the creation of a literary group called La Liga de Autores Puertorriqueños. Their aims included the use of writing to defend Puerto Rican independence from Spain. Aside from
