Players fight in a balanced battlefield using roles that best suit their character. They can attack, use skills, and use items that best suit their play style. There are also skills designed for each role. JOIN FRIENDS AND PARTY WITH THEM. Within the game, you can form parties with up to eight players. The more people, the harder the challenges. Each party member can use his/her own character, which he/she can develop according to his/her play style. From this, all kinds of parties and events can be formed. GROW AS A PLAYER. To succeed in battle, it is essential to increase one's strength and skills.
